UEFA Grassroots Day: Grassroots Football Awards

Dear Mr. General Secretary,

To celebrate the UEFA Grassroots Day, the forthcoming pan-European celebration of Grassroots Football, it was decided to acknowledge the skills and dedication of those who dedicate their time to the grassroots game by recognising the best grassroots leaders, programmes and clubs in Europe.

The UEFA Executive Committee, at its recent meeting in Tel Aviv, has confirmed the award winners including one nominated by your association (please see attached list). The winners will receive a specially produced certificate in recognition of this achievement and some footballs to assist in their grassroots activities. The award will also be announced in a forthcoming issue of UEFA direct.

Andy Pattison, our website representative, will be in contact with the gold winners to arrange a suitable opportunity to film them in action and to conduct a short interview. The content will then be uploaded to the official UEFA Grassroots Day website (www.uefagrassroosday.com). The silver and bronze recipients may also be contacted if filming time is available.

Please inform your award winner and we will send an official letter of confirmation in the coming weeks.

Yours faithfully,

U E F A

Andy Roxburgh
